NUMBER SB95S - 894

- WHEREAS; Each of the accounts funded under the Activity and Service Fee budget are classified as either centralized or decentralized, and;
- WHEREAS; Centralized accounts are those in which the budget authority and account tracking is maintained by the SGA Comptroller's Office, and;
- WHEREAS; Decentralized accounts are those in which the budget authority and account tracking duties are delegated to a full-time faculty or staff member of the UNF community which reports the status of their account to the SGA Comptroller on a monthly basis, and;
- WHEREAS; Regardless of the account classification, the SGA Comptroller maintains complete responsibility and authority over each of the Activity and Service Fee accounts at UNF and tracks each account on a daily basis, and;
- WHEREAS; The Recreational Sports Club (RSC) account (#907010010) is currently classified as a centralized A&S Fee account, and;
- WHEREAS; Ever since the RSC Offices have been relocated from Building 14 to the UNF Arena, management of this account has become increasingly difficult, and;
- WHEREAS; Operating efficiency and management of this account would be greatly enhanced by changing the classification of the RSC account from centralized to decentralized status by allowing the UNF Recreation Director to become the account Budget Director for RSC.
- THEREFORE; LET IT BE RESOLVED THAT the account status of the A&S Fee Recreational Sports Club account (#907010010) at the University of North Florida be re-classified from centralized to decentralized.
